Carlos, Don, CERCLIS currently has a RI/FS start date of 9/30/08. It was my understanding that counsel would issue a letter (not Special Notice) to the PRPs along with the AOC and SOW, for the area south of Up River Road, for signature. This is the area that the PRPs have agreed to perform the work. This would have to be done very soon, with a 30-day turnaround, in order to meet the start date (signed order). I am assuming the UAO, for the area south of Up River Road (Tule Lake), will be issued later.

Please call my cell phone if we need to discuss.
